Subject: SMS materials for next week's meeting
Date: Monday, November 19, 2012 5:10:19 PM

Hi Chance,

I'm sure you're busy with the public comments, but were you or Ivy going to put together some materials to share with us ahead of next week's meeting? If possible, do you think we could have them early next week so we have a chance to review them prior to the meeting? Thanks in advance.
